RENEWED PETITION IN 37 C.F.R. § 1.42

BOX PCT
Commissioner for Patents
Washington, DC 20231

Sir:

RECEIVED
24 SEP 2001
Legal Coun
International Division

In the decision on papers resubmitted under 37 C.F.R. § 1.42 dated June 1, 2001, the PCT Legal Office held that the prior filed Declaration did not comply with 37 C.F.R. § 1.497 because the Declaration did not list all the original inventors.

This Petition is again renewed and further consideration is requested. In support of this Petition, there is now submitted herewith a new Declaration/Power of Attorney in which this application is properly identified and in which all of the inventors in the application are listed by name and address. It would be particularly noted that the deceased inventor, Peter Archibald Tulloch is listed on the fourth page of the Declaration under the blocks for inventor 210. In the signature block for inventor 210, the Declaration is signed by Paul Tulloch, the legal representative of Peter Archibald Tulloch. Accompanying the Declaration is a copy of a certificate from the Supreme Court of Victoria, Australia which has probate jurisdiction and which shows that Paul

Tulloch qualified as the executor of the estate of Peter Archibald Tulloch. All other inventors have signed the Declaration.

With this information, it is submitted that all requirements of 37 C.F.R. § 1.42 have been met and this application should be found to be complete.

To the extent necessary, a petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
